

## **Alive in Christ**

Jeff Hawker

We were stuck, trapped within  
We were dead in our sin  
But because of God's love  
And His mercy...

We're Alive in Christ, by grace we're saved  
Not by works, but through faith  
***(repeat)***

We were stuck, trapped within  
We were dead in our sin  
Our hearts desired and disobeyed  
We gratified all that we craved  
But because of God's love  
And His mercy...

This is not from us  
It is all God's gift  
But we do good works  
We're his workmanship
