

Children of Light

Jeff Hawker

VERSE 1:

G **Am** **Bm** **C**
At the start, the Earth was dark; it had no shape, it took no form
G **Am** **Bm** **C**
But with your voice, you broke the night, you filled the skies, you shone your light
Em **C** **D**
Now we live in your light
Em **C** **D**
Now we live in your light

CHORUS:

Gsus **Dsus** **Am** **Em** **D**
We are children of light; we reflect your life

VERSE 2:

G **Am** **Bm** **C**
At the start, the Word was God; in him was life; the life was light
G **Am**
He's shining bright, for everyone
Bm **C**
The darkness has not overcome
Em **C** **D**
'Cause we live in your light
Em **C** **D**
'Cause we live in your light

BRIDGE:

Em **C** **G** **D/F#**
May we see your majesty and rest within your glory
Em **C** **G** **D**
May we see your majesty and show the world your glory
