

Jesus Christ Is Our Peace

Jeff Hawker

VERSE 1:

D **G**
We once were far away, we did not know Yahweh
Bm **G**
But we were looking for a home
D **G**
Without a covenant, no hope of a promise
Bm **G**
We were like foreigners alone

PRE-CHORUS:

Em **D/F#** **G**
But Christ was bringing us near
Em **D/F#** **G** **A**
Christ Jesus is here

CHORUS:

D **Bm7**
Jesus Christ, is our Peace
G2 **Asus** **A**
Lord of all unity

INTERLUDE: **G** **D/F#** **G** **Em**

VERSE 2:

We once were outsiders, behind the barriers
Before the Lord gave up his life
Behind dividing walls, our sin was standing tall
Nothing we did could make things right

BRIDGE:

A **Bm** **G**
Build a temple in our hearts
A **Bm** **G**
Keep us from falling apart
A **Bm** **G**
Build a temple in our souls
A **Bm** **G**
You are the chief cornerstone
