

Love Is Patient

Jeff Hawker

Love is patient, love is kind
It does not envy, it has no pride
Love is not rude, love won't boast
It's not self-seeking, it's full of hope

Oh God, help us love
Father, you are love
Spirit, help us love
Jesus, you are love
(repeat)

Love is not easily angered
It does not keep wrongs in records
Because love rejoices in truth
It protects, perseveres, and trusts
