

One Body

Jeff Hawker

There is one body
There is one Spirit
Called to one hope, we have one Lord
There is one water
There is one Father
Called to one faith, we have one God

Be humble; Be gentle
Be patient in love
(repeat)

There are some apostles
There are some prophets
Called to one hope, we have one Lord
There are some pastors
There are some teachers
Called to one faith, we have one God

One hope, one Lord
One faith, one God
(repeat)
