

The Messiah Has Come

The Messiah has come
The Savior is here
May we all go to see him
There is nothing to fear

Glory to God in the highest heaven
Glory to God and to all peace on earth

Do not be afraid
Our God came to save
There is good news, of great joy
For all people today

Gather around from far and near
Jesus the Son of God is here
Gather around from far and near
Jesus the Son of God is here
Jesus the Son of God is here
