

Visible of the Invisible

No one has ever seen the Lord,
But Jesus alone
The Son from the heart of God has come,
To make the Father known

*He is the visible of the invisible God
He came to us to dwell
In the beginning
the Word was with God and was God
Now in the flesh Emmanuel*

Anyone that has seen the Son
Has seen the Father too
The glory that we behold in Christ
Is full of grace and truth

Honor and praise belong to him
The only one who is without sin
Incarnate God who entered time
One person, human and divine
